

Thank you, Legislator Lennon!

In the Suffolk County Legislature, the hamlet of Ridge is now in District 6 and represented by the newly elected Chad Lennon. Legislator Lennon attended our February 21 meeting to share information about his background and priorities as a legislator as well as to respond to questions from our members. Thank you, Legislator Lennon, and we look forward to working with you in the coming years.

President's message by Scott Wood

Our next meeting will be on March 20 at 7:30 pm in the upstairs meeting room of Ridge Firehouse on Francis Mooney Drive.

Last month, Amy Engel, manager of environmental and community engagement at Brookhaven National Laboratory, was scheduled for a presentation but was unable to attend. The good news is that she's been rescheduled for our March meeting. Don't miss this! Part of BNL's Community Engagement mission is to address issues that may affect community members' quality of life. Amy will tell us about educational programs that BNL offers to local K-12 students, describe some upcoming plans for the Electron Ion Collider, and also educate us about cancer research at BNL.

In addition, join us at our Annual Easter Egg Hunt and Easter Bunny Visit on March 23. Details are on the next page. Plus, in April, we will host our 2nd Annual Earth Day Celebration, so please mark your calendars for Saturday, April 20, and we'll publish more information about that soon.

In addition, as a reminder, we encourage local students to volunteer for our events, since their hours can count on their community service log for our scholarships in May.

Come to our March meeting to learn more!

Hippity hoppity: Join us at the park on Saturday, March 23

Bring your own baskets! It's one of the kids' favorite events each year, and we would love to see you at our annual celebration of spring.

At 12 noon on Saturday, March 23, meet us under the gazebo at Ridge Community Park (1749 Middle Country Road) for our annual Easter Egg Hunt and Easter Bunny Visit!

You'll be able to take photos of your children with the big bunny and enjoy their search for free candy-filled eggs.

Local students will be there to hide eggs, assist children as needed, and help manage the line for the Easter Bunny photos. If you'd like to volunteer, sign up at bit.ly/RCAeaster2024.
